Unforgettable experiences

Michael Lee, grade 12, Delhi Public School, Dubai

"After floods hit our house, the water rose to knee level and we realised we had to leave. In our colony, there were other houses that were badly affected. As we were leaving, my family and all relatives from the area helpedしている the many people out. We carried our elderly parents, ancestors and all valuables. We then reached some relatives. We moved to my grandfather's place, a single-row building in safety area. Many of our neighbours lived in multi-storey were accommodated in that apartment. We also ended up driving from Calicut airport to fly to Dubai, as the Trivandrum airport was closed."
